

## SFB-Evening Event Career Paths

The Collaborative Research Centre (SFB) 1176 invites doctoral and postdoctoral researchers to a fireside chat to become acquainted with various possibilities of career paths for young researchers.

**Date:** 10.10.2018

**Time:** from 6 p.m. – approx. 8.30 p.m.

**Place:** PEBA, Vincenz-Prießnitz-Straße 1, Seminarraum im Dachgeschoß

The following key speakers from various fields are invited to share information about their career developments, about the different decisions they have made along their career path and the experiences they have made during different career stages.

Dr. Claudia Bizzarri (Karlsruhe Institut of Technology, KIT)

Dr. Philipp Böckmann (BASF, Ludwigshafen)

Dr. Kerstin Unverhau (3M, Neuss)

Dr. Jochen Niemeyer (University of Duisburg-Essen)

Moderation: Dr. Manuel Tsotsalas (KIT)

Come by and learn more about the different possibilities of academic and industry careers!  
For more information, please contact Manuel Tsotsalas ([manuel.tsotsalas@kit.edu](mailto:manuel.tsotsalas@kit.edu)).
